## **OTRD Consequences of Behavior**

OTRD will not tolerate verbal or physical abuse of its volunteer coaches, referees, or players from any Parent, Player or Spectator. Spectators, as well as the players and coaches, are expected to abide by the programs code of conduct at all OTRD practices and events. While most of the adults and children in the program will abide by this code without being instructed, it is being published to protect the children, the integrity of our program, and emphasize the values of OTRD.

At any OTRD event, practice, or competition, any adult who verbally abuses, attempts to intimidate, is flagrantly rude to, or does not control their language or actions with a player, official, coach, spectator, or OTRD employee/volunteer will be asked to leave the event. If the spectator fails to leave upon request, law enforcement authorities may be called to remove the spectator.

Any adult that commits a second similar offense will be banned from OTRD events for the remainder of the season.

Any adult who physically assaults anyone at an OTRD sponsored game, practice or event will be banned from OTRD for a minimum of one year from the date of the offense. After one year, the parents may apply for reinstatement. If the adult commits a second offense, he or she will be permanently banned from OTRD.

The term physical assault includes, but is not limited to - hitting, slapping, pushing, spitting, kicking or striking in anyway with any part of the body or any physical implement.

Any coach of an OTRD program who gets removed from a game will be suspended to coach the following game. If a coach gets removed from a game the second time, he/she will not be able to coach for the remainder of the season and will have to meet with OTRD supervisor and board of directors to petition to coach again for the Oregon Trail Rec District.
