We will also help kids that live in the outside communities by putting 2-4 kids from that area on the same team.

No automatic outs for playing with less than 9 players. Every rostered player will be in the batting order. If a team is unable to be fielded with the minimum of 7 players within 10 minutes after the scheduled game time it will be declared a forfeited game.

3. Helmets must be worn by all batters. Helmets must not be taken off until the player is off the field. **Penalty: If a player is found without their helmet, by an official prior to exiting the field, that player will get an automatic out, the next time up to bat.**

4. ***PITCHING Machine:***

Pitching Machine League - The players will receive pitches delivered by the coach by a pitching machine or another adult capable of pitching. **Must be 18 or older to pitch.**

The pitching machine will be set at 30-33 MPH settings(lowest setting). *40-43' from home plate.

The coach will have to place the ball on the machine. Place the screw on the mico adjustment on the dot mark on the ball. Placing the ball like shown on the diagram will help make pitches more consistent on where and how you place it.

At the beginning of each game two coaches from each team and the umpire will run test pitches with the machine. The only adjustments that can be made by the coaches are Raising and lowering the pitch and from side to side. Please do not change the whole location of the machine or the Speed Settings without speaking with the OTRD manager.

a. The batter will receive **5 pitches** to put the ball into play and **3 strikes will equal an out**. Foul balls will be unlimited. If the pitch should happen to hit a batter the pitch shall be declared a NO PITCH. The batter will NOT receive a walk to 1st base. The official shall declare the last pitch before it is delivered.

b. If the pitched ball is caught or not caught by the catcher, the play is considered dead, even on throwback to the pitcher. If the pitcher misses or fumbles the ball it is still a dead ball. This is NOT an opportunity to run players. *No stealing is this league.

c. A circle will be placed around the machine and is intended as a “restricted zone”. For safety reasons, a player may NOT enter the pitching circle for any reason. Players playing the pitcher position need to be to the right, left or behind the pitching machine circle.

d. Any batted or thrown ball that lands and remains in this circle becomes an immediate DEAD ball where the batter will be awarded first base and ALL runners advancing one base.

e. Any batted ball that hits the machine will be a live ball UNLESS it stops in the restricted zone then it becomes an immediate DEAD ball with the batter being awarded first base and ALL runners advancing one base.

f. Any batted ball that is a pop fly and is above the machine and is considered to be a safety hazard to the defensive team as deemed by the umpire will be called DEAD and batter will get 1st base and all runners advance 1 base.

g. Any batted ball that passes through the circle without obstruction is a live ball.

h. Girls Pitching Machine will use an 11" softball

5. STEALING:

Pitching Machine: There is NO stealing in this league. Runners may advance only 1 base on an overthrown ball. An overthrown ball is an attempt to get a runner out at any base. If the defense should try again to throw out the runner on another base, then advancement to the next base is possible.

6. A batter shall be declared out when;

1. **Batter has swung at 3 pitches and missed. 3 strikes equal an out. Foul balls will be unlimited on the 3rd strike or 5th pitch. If the batter misses or does not swing at the 5th pitch the batter will be out.**
2. **Batter gets a hit but is thrown out or tagged on base.**
3. **Batter is in the batters box when a runner from third base is coming in to home and There is a Play at the Plate.**

7. Pitching Machine & Jr. Miss, Minor, Jr. Girls – To stop the play the defense needs to throw the ball to the pitcher (the player not the coach pitching). In the judgment of the official, the attempt to throw the ball to the pitcher will end the play and runners may no longer advance. If a runner is not at least halfway to the next base he/she will be asked to go back to the last base he/she was at.

8. INNINGS – Pitching Machine – The game shall consist of 4 innings or No New Inning after 50 Minutes

****No New Inning after 50 Minutes. The scorekeeper is responsible for communicating with the umpire and writing down on the scorecard the EXACT time the game started (The First Pitch).**

****Please hustle your players in and out between innings.**

9. There will be a 6-run limit for all innings except if the ball is still in play when the 6th run is scored. All following runs will be counted until the play is called dead by the umpire.

10. The home team will be designated on the schedule will occupy the 3rd base dugout and will need to find an adult to do the scorebook. The visitor team will occupy the 1st base dugout and will cover the scoreboard. Score keepers must be behind home plate.

12. No parents or spectators are allowed on the field or in the dugout opening. This may cause confusion for the players and overcrowd the dugout. All parents & spectators must stay behind the "White Line" behind the back stops.

13. Coaching on Field – Pitching Machine Leagues & Coach Pitch ONLY – One defensive coach may be in the field with the team coaching them. This coach may roam outside of the baseline carefully not interfere with the play. For the Pitching Machine league the defensive coach may be in the field for $\frac{1}{2}$ of the regular season only. **After June 3rd the defensive coach may no longer be on the field with the defense players.**

Pitching Machine, Jr Miss, Minors & Jr Girls – Three offensive coaches are allowed in the coaching area, one by 1st base, one by 3rd base, and one pitching from the pitching mound (when coach pitches after 3 walks). The coach delivering pitches must kneel or stand still after the pitch to avoid any interference when the ball is hit. Please have the 1st base & 3rd base coach help the base runners. This teaches them the game and how to listen to their base coaches.

14. If the score is tied at the end of play the game will be declared a tied game. Each team will be credited a half a win and half a loss.

15. Where inclement weather prevents the actual completion of a game, the following rules shall apply:

Spectators, as well as the players and coaches are expected to abide by the programs code of conduct at all OTRD practices and events. While most of the adults and children in the program will abide by this code without being instructed, it is being published to protect the children, the integrity of our program, and emphasize the values of OTRD.

At any OTRD event, practice, or competition, any adult who verbally abuses, attempts to intimidate, is flagrantly rude to, or does not control their language or actions with a player, official, coach, spectator, person or OTRD director will be asked to leave the event. If the spectator fails to leave upon request, law enforcement authorities may be called to remove the spectator.

Any adult that commits a second similar offense will be banned from OTRD events for the remainder of the season.

Any adult who physically assaults an official, coach, spectator, person or OTRD director will be banned from OTRD for one year from the date of the offense. After one year, the parent may apply for reinstatement. If the adult commits a second offense, he or she will be permanently banned from OTRD.
